Ready to consider project work and full-time employment.

WORK EXPERIENCE

2021, august - nowadays

WORKING AS A FRONTEND DEVELOPER AT PROVECTUS COMPANY

Grew as a web developer.
Now I am working with Redux, React/Redux, axios, Material-UI library, Hooks, TypeScript. Also I am creating Rest API. Refactoring, bug fixing, migrating to TypeScript, registration and login form creation, custom components development, jest testing, storybook. JavaScript, TypeScript, React/Redux, RestAPI. As a result, I am improving my technical and soft skills

2020 - 2021

WORKING AS SMM AND CONTENT MANAGER AT IT COMPANY
- Worked with our team
- Studied to work with SRM system
- Red, studied and coding for myself
